EasyFold Comfort
EasyFold bi-fold doors have been fully tested to ensure the highest standards of weather resistance.

EasyFold Efficient
With U-values as low as 1.4 W/m²K, EasyFold bi-fold doors have been designed to offer superb energy efficiency, helping keep fuel costs down.

EasyFold Peace
To keep outside noise to an absolute minimum, EasyFold bi-fold doors benefit from outstanding acoustic insulation, for peace and quiet indoors.

EasyFold Style
EasyFold bi-fold doors benefit from slim frames and stylish sightlines for an aspirational and contemporary aesthetic.

EasyFold Durability
The aluminium composition of EasyFold bi-fold doors ensures that they are sturdy, robust and made to last.

EasyFold Sustainability
EasyFold bi-fold doors are manufactured with the minimum of waste and are fully recyclable – reflecting our commitment to the environment.
